OFFICEMASTER RACK MOUNT KIT

The OfficeMaster Rack Mount Kit serves as integration platform for selected OfficeMaster products into 19'' server racks

Product description

Out of the OfficeMaster product portfolio, selected products can be integrated into 19'' server racks if needed. Thus, a seamless integration into existent IT environments is guaranteed. All power outlets manufactured from July 2016 onwards can be screwed directly onto the OfficeMaster Rack Mount Kit, which provides the necessary power supply without having to worry about surplus cable management. Integrate up to two of the following products onto the rack:
